Dear Mr. Truman:

ER DET file
I had read with a great deal of interest your book, Mr. Citizen, before I received the autographed copy which you so thoughtfully sent me.

Your kind inscription is deeply appreciated and I note in the book your mention of the Central Intelligence Agency. I shall always remain grateful to you for your deep understanding of the need for strengthening our national intelligence organization and your constant support of the C. I. A.

With kindest personal regards.

Faithfully,
